CALIFORNIA**
OUR VOICE IN SACRAMENTO

LEGISLATIVE SCORECARD

2026

A report on how California lawmakers
voted on the Jewish community's top
priority *issues* and *values*.

JEWISHCAL.ORG

A MESSAGE FROM JEWISH CALIFORNIA LEADERSHIP

Dear Friends,

We are proud to present Jewish California's third annual Legislative Scorecard, a record of how California lawmakers voted on the issues and values that matter to our community.

It was a year of transformational growth. On February 25, **we changed our name to Jewish California** (from JPAC), reflecting a new era of clarity and impact. We grew to **46 member organizations** – up from 25 just five years ago – and now represent synagogues and Hillel, speaking with one voice in Sacramento. **We launched our first policy agenda tracker at tracker.jewishcal.org** so every community member can follow our bills and budget requests in real time. We hosted forums with candidates for Governor and Superintendent of Public Instruction, and **welcomed 700 community leaders to our Capitol Summit**, up 15% from last year, keynoted by Doug Emhoff, where we met with all 120 legislative offices.

Our sponsored bills delivered. **Six for six: every bill we sponsored was signed into law** – more success in one session than at any previous point in our 54-year history. **California is now the first state to recognize Jewish identity as an ethnicity in law** (SB 1387, Stern). We created safe zones around houses of worship (AB 2664, Bauer-Kahan), expanded security grants to protect community events (AB 1836, Gabriel), protected religious observance for students and at public events (AB 1763, Lee; AB 395, Gabriel), and set content standards for the state voter guide after antisemitic and white nationalist hate speech reached 23 million households (AB 1853, Pellerin). In his final months in office, **Governor Newsom hosted a bill signing ceremony with Jewish California** for the first time, at Wilshire Boulevard Temple in Los Angeles. In the budget, **we secured \$165.25 million** for nine programs, including a generational commitment of **\$80 million every year into the future for nonprofit security grants**.

We also successfully defended our recent wins, defeating two bills that would have undone protections for Jewish students and defending our landmark AB 715 against a lawsuit.

We are grateful to the Legislative Jewish Caucus, led by Chair Jesse Gabriel, and to Governor Newsom, who signed all six of our priority bills and continues to implement his Golden State Plan to Counter Antisemitism.

This scorecard reflects a growing movement that stands up for our community and stands with others. Together, we are building the world we want to live in.

Onward,

Debi Graboff
Board Chair

David Bocarsly
CEO

Cliff Berg
Lobbyist

OUR VISION

A safe, just, and equitable California reflecting the core issues and values of the state's organized Jewish community.

OUR MISSION

We amplify Jewish voices through strategic statewide advocacy and coalition-building to better the lives of Jews and all Californians.

Our Voice in Sacramento

A coalition of 46 leading Jewish community organizations across the state, Jewish California (formerly JPAC) advocates in Sacramento on behalf of the Jewish community's concerns and broadly shared values. Our member organizations – including Jewish Federations, Jewish Community Relations Councils, Jewish Family Service agencies, and others – collectively serve hundreds of thousands of Californians of all backgrounds and represent the interests of California's 1.2 million Jews. Together, we form the nation's largest statewide coalition of Jewish organizations.

Since 2022, Jewish California has successfully advocated for \$621.45 million in state funding for critical community priorities, including creating and expanding the nonprofit security grant program, rebuilding Jewish summer camps destroyed by wildfires, expanding Holocaust education institutions, and securing vital human services to advance dignity and opportunity for all Californians.

We have helped pass landmark legislation to counter antisemitism and hate – including AB 715, a first-in-the-nation law addressing antisemitism in K-12 schools – while advancing policies that expand access to mental health care, reduce poverty and hunger, and support immigrants and older adults. And we led the advocacy efforts to help the state adopt an ethnic studies curriculum without antisemitic content.

Jewish California uses our community's collective strength and reach to build the world we want to live in – for ourselves and for all Californians.

Under the leadership of chair Assemblymember Jesse Gabriel, the California Legislative Jewish Caucus remains a force in the California statehouse. Formed just over a decade ago with four lawmakers, it now boasts 18 members – making it one of the largest diversity caucuses in the Legislature. Twelve legislators identify as Jewish, and six have a strong Jewish familial or personal connection.

Jewish California works hand in glove with the Jewish Caucus to advance the greatest needs of California's Jewish community. In 2026, Caucus members championed five of our six sponsored bills – from recognizing Jewish identity as an ethnicity, to protecting religious holiday observance, to safeguarding community institutions and gatherings – and defended hard-won victories like AB 715 from attack.

The Jewish Caucus also helped secure critical funding for Holocaust survivor assistance and Holocaust education. But one win was generational: Championed by Chair Gabriel, the state committed to allocate **\$80 million for nonprofit security grants – every year into the future.**

A strong Jewish Caucus remains critical to the success of our priorities. We are deeply grateful for their partnership, advocacy, and leadership in ensuring that California continues to be a national model for fighting hate and advancing justice for all communities.

\$165M SECURED

STATEWIDE INITIATIVES

\$80
MILLION
ONGOING

**Nonprofit
Security Grants**

\$36
MILLION
OVER 3 YRS

MILLION

**Refugee
Support**

A GENERATIONAL WIN: The state matched its record investment of \$80 million for nonprofit security, but notably made that an ongoing commitment – **every year into the future**. This generational investment will ensure consistent protection for at-risk communities without us having to fight for those funds year over year.

Jewish California also supported two other successful statewide budget requests:

- **\$175 million** for immigrant deportation defense
- **\$50 million** for the Victims of Crime Act (VOCA)

2026 HIGHLIGHTS

GOING 6 FOR 6

This year, we took on six sponsored bills – responding to growing needs and threats to Jews and other vulnerable communities throughout civic life. Despite strong opposition against several high-profile bills, **all six bills passed the Legislature with overwhelming bipartisan support and were signed into law.**

SB 1387
(Stern)

AB 2664
(Bauer-Kahan)

AB 1853
(Pellerin)

AB 1836
(Gabriel)

AB 1763
(Lee)

AB 395
(Gabriel)

A NATIONAL FIRST: SB 1387 makes California the first state in the nation to recognize Jewish identity as an ethnicity in law – sparking a national conversation about what it means to be a Jew. → [Learn more at jewishcal.org/SB1387](https://jewishcal.org/SB1387)

PLAYING DEFENSE: Symbolic of rising anti-Jewish bias, the California Faculty Association sponsored two bills to undo Jewish student protections we won in recent years. We successfully fought both:

- **AB 2159 (Garcia)** aimed to gut AB 715, last year's K-12 antisemitism prevention bill. Its language never went into print.
- **AB 2551 (Elhawary)** aimed to repeal our SB 1287, 2024's campus protections. We negotiated the repeal out of the bill.

100% VOTERS

We celebrate and thank the following legislators who voted for every Jewish California-scored bill in 2026 – our 100% voters:

LAUNCHED: NEW POLICY AGENDA TRACKER

2026 STANDOUTS

Elected officials step up for our community in many ways beyond their votes. While we are fortunate to have a lot of allies, here we highlight some of the lawmakers who went above and beyond to support the needs of our community through championing bills and budget requests, or by lending their voice in support of our community's priorities:

**Assembly Speaker
Robert Rivas**

Speaker Rivas kept AB 2159 (Garcia), a bill that would have gutted AB 715, California's antisemitism prevention law, from advancing in the Assembly – refusing to let the harmful language even go into print. He also shepherded our top-priority bills through his house, giving our community a steady partner at every stage of the session.

**Senate Leader
Monique Limón**

As Senate Leader, Limón moved our bills through the Senate, including AB 2664 (Bauer-Kahan), which faced a difficult path, and ensured support for Assembly budget proposals like ongoing security funding. She also worked with the author of AB 2551 (Elhawary) to remove a provision that would have repealed SB 1287 (Glazer, 2024), California's campus safety and civil rights law.

**Assembly Budget
Chair Jesse Gabriel**

As part of the Assembly's budget proposal, Assemblymember Gabriel proposed including an **ongoing** funding commitment for the Nonprofit Security Grant Program. Senator Laird backed the request in the Senate's proposal, and it was ultimately included in the final budget negotiated with the Governor. The result is \$80 million every year, a generational commitment that ends the annual fight to keep the program alive.

Assemblymember Gabriel also authored two of our sponsored bills, AB 395 – ensuring schools and public agencies don't have major events on religious holidays – and AB 1836 – expanding the security grant program to fund at-risk public events.

**Senate Budget
Chair John Laird**

**Senator
Sasha Renée Pérez**

After helping deliver AB 715 (Zbur, Addis) last year, Senator Pérez again stood up for the community's core protections when they were under threat this session. Alongside Leader Limón, she urged the author of AB 2551 (Elhawary) to remove a provision that would have repealed SB 1287 (Glazer, 2024), and the author complied.

**Assemblymember
Catherine Stefani**

Assemblymember Stefani championed the National Council of Jewish Women's budget request to save the Bay Area's human trafficking hotline, and she led a package of bills responding to the Medi-Cal cuts in HR 1, standing up for vulnerable Californians when federal changes put their care at risk.

**Assemblymember
Rick Chavez Zbur**

As the fearless authors of AB 715 in 2025, Assemblymembers Zbur and Addis followed through on their commitment to work towards the agreed-upon clean-up amendments to the law. They introduced AB 2615 to be that vehicle. However, when faced with pressures in negotiations to go far beyond the agreed-upon scope and significantly weaken key protections created in AB 715, they held firm and ensured the law remained strong.

**Assemblymember
Dawn Addis**

**Senator
Eloise Gómez Reyes**

Senator Reyes is a consistent and outspoken ally to our community. This year, as chair of the Budget Subcommittee on Resources, Environmental Protection, and Energy, she helped shepherd through Governor Newsom's \$12 million request for the Museum of Tolerance's mobile museum.

**Assemblymember
Rebecca Bauer-Kahan**

In addition to Assemblymembers Gabriel and Lee, we honor our three other sponsored bills' authors who carried our three most contentious bills this cycle. Assemblymember Bauer-Kahan carried AB 2664, the Safe Worship Zone Act. Senator Stern authored SB 1387, making California the first state to recognize Jewish identity as an ethnicity. Assemblymember Pellerin quickly responded after hate speech was mailed to 23 million households in the June 2026 Primary Voter Guide and introduced AB 1853, setting content standards for future guides.

**Senator
Henry Stern**

**Assemblymember
Gail Pellerin**

Governor Gavin Newsom

Governor Newsom joined Jewish California Capitol Summit by video for the third consecutive year and hosted a bill signing ceremony with Jewish California for the first time in his eight-year term

COUNTERING ANTISEMITISM

Governor Newsom continued to implement his Golden State Plan to Counter Antisemitism – including by signing all six of our priority bills and funding security grants and Holocaust education.

He created this unprecedented whole-of-society plan at the request of, and in partnership with, Jewish California. He unveiled it at Jewish California Capitol Summit in 2024.

STATE FUNDING

Governor Newsom proposed including **\$40 million** for nonprofit security grant funding, **\$10 million** for Holocaust & Genocide Education, **\$12 million** for the Museum of Tolerance, and **\$20 million** for the JFCS Holocaust Center in the budget – and ultimately signed a budget with \$165.25 million towards Jewish California priorities.

Governor Newsom has directed nearly **\$650 million** in state funds to Jewish California priorities since taking office in 2019, including \$395 million for security grants.

-  Vetoing a priority bill for the Jewish community is noted in **red**.
-  Bills that died before reaching the Governor are noted in **white**.

SCORED LEGISLATION 2026

Jewish California sponsored six bills this year and supported an additional 21 bills that further our policy priorities and support the work of our member organizations.

We have chosen to score 13 bills this year, split into two categories: **Countering Antisemitism & Hate** and **Advancing Dignity and Opportunity**. Sponsored bills are denoted with an asterisk (*). These bills represent the diverse issues that Jewish Californians care about, and will meaningfully impact the lives of Jews and all Californians.

» Countering Antisemitism & Hate

***AB 395 (Gabriel) EQUAL ACCESS TO SCHOOL AND PUBLIC EVENTS**

Requires K-12 schools, public colleges and universities, and state agencies to avoid scheduling major events – first days of school, final exams, graduations, public hearings – on religious holidays, and codifies Rosh Hashanah, Yom Kippur, and Passover in California statute for the first time, alongside Eid, Diwali, and others.

» *Status: Signed Into Law by Governor Newsom*

***AB 1836 (Gabriel) NONPROFIT SECURITY GRANTS – OFF-SITE EVENTS**

Expands the state Nonprofit Security Grant Program so grants can protect high-risk community events held away from an organization's building – menorah lightings, festivals, Pride celebrations, and other gatherings targeted by hate.

» *Status: Signed Into Law by Governor Newsom*

***AB 1853 (Pellerin) NO HATE IN THE VOTER GUIDE**

Sets content standards for candidate statements in the official Voter Information Guide so the state never again prints and mails hate speech to 23 million households, as happened in the June 2026 Primary.

» *Status: Signed Into Law by Governor Newsom*

***AB 2664 (Bauer-Kahan) SAFE WORSHIP ZONE ACT**

Creates a 100-foot bubble zone around houses of worship, barring harassment, intimidation, or obstruction of congregants as they enter or exit – protecting safe access to religious institutions of every faith.

» *Status: Signed Into Law by Governor Newsom*

***AB 1763 (Lee) STUDENT RELIGIOUS OBSERVANCES**

Guarantees students an excused absence for religious holidays and ceremonies, removing the written-request-and-principal-approval hurdle that no other protected absence requires.

» *Status: Signed Into Law by Governor Newsom*

This is the only sponsored bill not authored by a Jewish Caucus member. While we don't always align, we thank Assemblymember Lee for stepping up – and for championing our refugee support budget request, which secured \$4 million.

SB 998 (Gonzalez) DISCRIMINATION PREVENTION COORDINATORS

Builds on AB 715 and SB 48 by giving the religious, racial and ethnic, gender, and LGBTQ coordinators responsibilities mirroring the Antisemitism Prevention Coordinator's. It also adds a Disability Coordinator and Deputy Coordinators representing the Black, Latino, AAPI, and Native American communities.

» *Status: Signed Into Law by Governor Newsom*

***SB 1387 (Stern) RECOGNIZE JEWISH IDENTITY AS AN ETHNICITY**

Makes California the first state in the nation to recognize Jewish identity as an ethnicity in law and data collection, so Jews can be included in the state's hate crime, poverty, health, and education data. Better data leads to better policy – and recognition leads to greater understanding and less bias.

» *Status: Signed Into Law by Governor Newsom*

» Advancing Dignity and Opportunity

AB 1540 (M. González) 988 LGBTQ+ YOUTH CRISIS LINE

Reestablishes the 988 Press 3 LGBTQ+ youth suicide crisis line after federal funding was exhausted, and includes \$5 million in funding for the program.

» *Status: Passed, Included in Budget Trailer Bill, AB 173*

AB 1542 (Ward) SENSITIVE PERSONAL INFORMATION

Bans businesses from selling or sharing sensitive personal information – immigration status, health data, Social Security numbers, sexual orientation, genetic data, and precise location.

» *Status: Vetoed by Governor Newsom*

AB 1573 (Bryan) HOUSING FOR DOMESTIC VIOLENCE SURVIVORS

Ensures cities and counties consider the housing needs of domestic violence survivors in their planning and reporting processes.

» *Status: Signed Into Law by Governor Newsom*

AB 1709 (Lowenthal) SOCIAL MEDIA AGE LIMITS

Bars platforms that serve addictive feeds from letting users under 16 create accounts, and creates an e-Safety Advisory Commission to advise the state on youth online safety.

» *Status: Signed Into Law by Governor Newsom*

AB 2161 (Bonta) PROTECTING MEDI-CAL COVERAGE

Directs the state to use data it already has to automatically verify federal H.R. 1 work requirements, contacting individuals only as a last resort – ensuring as many people maintain their healthcare as possible.

» *Status: Signed Into Law by Governor Newsom*

AB 2299 (CALDERON) CA ANTIHUNGER RESPONSE & EMPLOYMENT TRAINING ACT

Expands state-funded food benefits to include the nearly 660,000 Californians projected to lose CalFresh assistance under new federal H.R. 1 time-limit rules.

» *Status: Did Not Advance, Died in Senate Appropriations Committee*

LEGISLATORS' VOTING RECORD

All legislators vote on legislation on the Senate and Assembly floors. However, many critical legislative decisions happen at the committee level, where only legislators on those committees can vote. As such, the final position represented on the following pages of this scorecard is the summary of all recorded positions taken by the lawmaker, indicated as follows:

-  Authors and co-authors of a bill are marked in **dark green**, demonstrating their strong support.
-  Voting “yes” on all recorded votes for a bill (committee, floor, and concurrence) are noted in **green**. These lawmakers demonstrated unwavering support for that Jewish California priority bill.
-  Voting “no” or abstaining on all recorded votes for a bill are noted in **red**. Abstentions are equivalent to a “no” vote in the Legislature and are treated equally here. These are votes cast against the Jewish community’s interests.
-  Lawmakers who split their votes (supporting on some recorded votes and opposing or abstaining on others) are marked in **yellow**.
-  Lawmakers with an excused absence on the day of a vote and who cast no other vote on that bill are marked with an **E**.
-  Empty boxes indicate that a bill did not reach a recorded vote available to that lawmaker – for example, a bill that only passed one house – or that the lawmaker was not in office at the time.
-  Indicates member of the California Legislative Jewish Caucus

Score is calculated by dividing the number of “yes” votes by the total number of recorded votes available to each legislator, across all 13 scored bills. Votes for the six sponsored bills are weighted twice. Appropriations Committee votes and excused absences are not included.

Jewish California is a 501(c)(4) nonprofit that serves as the advocacy arm of California's Jewish community.

Jewish California Education Foundation (JCEF) is a 501(c)(3) nonprofit that serves as the educational and charitable arm of California's Jewish community.

Jewish California is the nation's largest statewide coalition of Jewish organizations:
